Dear City Council Members:

As a lifelong resident of La Crosse I hate to think of how much I've paid in overnight parking tickets. Add to that the wasted gas & wear and tear cost for moving my vehicles unnecessarily over the past 50 years of my life and I've lost a small fortune - and for what?

It's time for La Crosse to stop that insanity. Please vote to end the winter parking tradition of moving vehicles every night "in case" the city might decide to plow.

Thank you,
777 24th St N
