Hello,

I am forwarding to you emails that I have received from concerned citizens in regards to the historic Riverside Fish Hatchery proposal.

Thank you, Nancy Green

I am opposed to allowing an air bnb in the park. I live across the street from an air bnb, in a residential neighborhood. We have car doors slamming, car alarms going off, strangers schlepping their bags across the street at all hours, more noise and litter. Betsy Fowler

then the air bnb guests stand in the alley and smoke, hidden from air bnb view by the hedge, but in plain sight for my enjoyment from my living room window, ick.
