Hi,

I would like to speak with the Board of Public Works regarding the \$225 fine I received regarding snow and ice removal from public sidewalks. My reasoning for this dispute is because I am a UWL student who also is a member of the women's basketball team and when these charges were given, I was out of town for basketball. I regret not making arrangements for others to remove the snow. I have learned a lesson and will not let it happen again. I understand the hazard that the lack of removing snow and ice causes and am hoping that this fine can be removed. My address is 739 22nd Street North, La Crosse, WI.

Thank you,

Emma Gamoke
