Dear Council Members,

Please do not vote to turn the North end of Riverside park into a "wedding" venue and Airbnb. As a resident of RiverPlace apartments and a volunteer patrol person in the International gardens, I have concerns over noise, parking and safety.

If the city feels this building needs to be a commercial venue; a coffee/ice cream shop along with a gift, canoe and kayak rental shop would be a better fit for city residents and guests that frequent Riverside park.

Also, with the stimulus money you have or will receive, please consider building up Front Street ASAP.

Thank You!
