Re: 14-1214 Request of Moorings Homeowners Association that Moorings Drive be dedicated as public street.

Ladies and Gentlemen:

The Board of Public Works considered the above matter at their meeting on October 27, 2014, and recommended to accept dedication of the street to the water's edge on the south side but with the provision that 100 percent of the owners agree to the dedication by way of quit claim deed, and there would be right-of-way on the north side of the street and no parking on the north side, but there could be public parking on the south side, and no sidewalk on north side, with clarification that the street width is 2 feet north of the north edge of the existing street. Further, that the Homeowner's Association will need a street privilege permit for the fence encroachment and maintenance.

Sincerely,

Tim Kabat  
President
