Dear City Counsel,

My business, Walsh Golf Range, Inc. has existed in La Crosse, WI since 1946. We have been a golf course since July of 1970 at the current location. We have always been a seasonal business. In a normal year we start by about March 15th and finish by November 15th. The timing can vary slightly but this is our normal operating year.

I do not anticipate going year round or changing our operation anytime in the near future.

Please let me continue to have a beer license during our normal operating year.

Thank you,

David Swift

To Whom it May Concern:

Per Section 4-44 of the Code of Ordinances for the City of La Crosse, we respectfully request permission to discontinue the sale of intoxicating liquor for more than 90 days during the license period as part of the license renewal application process.

Due to the nature of our business at Forest Hills Golf Course, we will be closed for more than 90 days during the 2021-2022 golf season. The golf course is a seasonal business that we anticipate being closed from November 15, 2021 through March 15, 2022.

To the Honorable Mayor and Members of the Common Council -

La Crosse Baseball, LLC, as part of our renewal process of our "Class B" Beer and Liquor license, are once again asking the La Crosse City Council to allow this license to go inactive for a period of time greater than 90 days due to the seasonal nature of our business. Being an outdoor venue and seasonal operation, the ballpark gets winterized from the Park & Rec and City Water Department to avoid freezing water lines and minimizing additional costs when not in use. This winterization process usually starts around the end of October and is activated again when the weather is consistently above freezing. Due to these restrictions, we would have a difficult time hosting events every 90 days in the middle of winter to comply with the license requirements. For these reasons we are requesting permission that our "Class B" Beer and Liquor License to have the ability to use the discontinuation of activity policy to allow us to continue to hold the license without hosting an event during our non-event season (November through April).

Sincerely,

Benjamin Kapanke
