Hello,

My name is Jeni Gimbut. My husband, Ed and I reside at 1102 Avon St, La Crosse, WI 54603. I'm writing in support of ending alt-side winter parking, except when it needs to be enacted due to snow, maintenance, or leaf pick-up.

Ending the alt-side parking ordinance, as it is currently written would benefit both my husband and I greatly. The flaw our home has is that it doesn't have any off-street parking. Without so much as a driveway, we have to park on the street, all the time. Both of us have mobility disabilities and Ed more so, due to being an amputee. With alt-side parking as it currently is, even when our car is parked correctly, it is often plowed in. Getting to and subsequently in our vehicle is made even more difficult and dangerous.

Please end alt-side parking, except in special circumstances. We sincerely appreciate your taking the time to read this message and for your consideration.
