Re: Contract Consent

Ladies and Gentlemen:

Thank you again for your time to discuss the 2018 Sanitary Sewer Lining (the "Agreement"), by and between you and Lametti & Sons, Inc. ("Lametti"). We have agreed in principal to the sale of our cured-in-place-pipe lining and trenchless rehabilitation operations to Granite Inliner, LLC ("Granite"), a wholly owned subsidiary of Granite Construction, Inc. We of course ask that you hold this information in strict confidence.

In connection with the proposed transaction, Lametti will be retaining this contract and providing a Sub-contract Agreement to Granite Inliner to complete the remaining cured in place pipe lining on the project. Lametti will be responsible to coordinate with Granite forces to ensure the work is completed in accordance with the existing contract terms.

The purpose of this letter is to inform you of the agreement between Lametti and Granite and request your acknowledgement of the agreement. Please sign below to provide this acknowledgement. If the transaction is not consummated, this letter and any potential subcontract will be null and void and without any force or effect whatsoever.

ACKNOWLEDGED AND AGREED
