Owners of 1600 Ramsey Place,

Late last year, a request was received to consider options for on-street parking in this block of Ramsey Place. The street is currently unsigned on both sides of the street. The issue has been raised on visibility and space with trucks parking on both sides of Ramsey Place approaching Gateway Court.

This matter will be discussed with a public hearing at the **Board of Public Works** meeting on **Monday, February --, 2021 at 10:00 A.M.** The proposed parking change would be to install a No Parking Zone on the North side of Ramsey Place from Gateway Court to a distance of 270 feet.

Your input is considered vital, to help establish a feasible and fair arrangement, should any change occur. Please feel free to submit any comments or concerns in writing to me or your Alderman. All comments and options will be considered.

Sincerely,

Stephanie J. Sward,
Civil Engineer IV
