

Resolution removing sunset clause from resolution previous adopted by the Common Council relating to discontinuation of the Highways, Properties & Utilities Committee.

RESOLUTION

WHEREAS, the Common Council changed Council Rule V in Resolution 2012-09-049 temporarily discontinuing the Highways, Properties and Utilities Committee and placing all Council Members on two standing committees rather than three, and

WHEREAS, said Resolution included a sunset provision of April 1, 2013 to determine whether this change would adversely affect the citizens, and

WHEREAS, during this trial time period, very few items would have been referred to the Highways, Properties and Utilities Committee, and any items that would have been referred to that committee were incorporated into the two standing committees and handled without incident.

NOW, THEREFORE, BE IT RESOLVED by the Common Council of the City of La Crosse that it hereby removes the sunset provision from Resolution 2012-09-049.
