Good Morning!

I live in the Weigent Park neighborhood and would just like you to know that I am in favor of strengthening enforcement of the "no camping" rules in public parks.

Unfortunately there have been two occasions, when I have called the La Crosse Police Department, non-emergency, requesting them to check on the well being of individuals sleeping in Weigent Park. It was during daylight hours, one in the month of June, the other in July, and each time the police responded in a timely manner.

If you have any questions or concerns, please feel free to contact me at 608-386-9452.

Thank you for your consideration regarding this matter.
