

January 29, 2018

Andrea,

This letter is to inform you that we have decided not to build on our land and have purchased a home in Holmen, WI. We plan on selling the land in the near future so we are requesting that the collateral get moved to our new home when we close on April 16, 2018. We apologize for any inconvenience and thank you in advance for being flexible with our situation the past few months.

Thank you.

Kara Schuster
