Police Department Comments:

This event is approved.

The event is being held at the Oktoberfest Grounds. Event coordinator indicates that they will have private security at the event (Byerson Specialized Protection Services). I emailed the event coordinator if any traffic control recommendations are needed. Event coordinator advises that La Crosse Police Personnel will not be needed for the event, therefore; no police staff will be assigned to the event. PDS verified.

The event sponsor has been provided with an estimate for the police security costs and shall be billed for the actual cost of police security for this event.

Sincerely,

Shawn P. Kudron
Chief of Police
