Hello Nikki and congrats on the interim City Clerk position, hoping for permanent. As you know business levels are still way off from Pre-Covid numbers and we are nowhere near the end of this. The city responded last year with reduced licensing fees and I urge you to consider keeping the lower rates for this renewal year as well. Also, in regards to outdoor dining whatever steps you can put in place now to allow us restaurants to offer outdoor dining when the warmer weather returns that would be a plus too. Thanks so much and good luck, Chris
