La Crosse City Council:

Thank you for representing your constituents in the City of La Crosse. I am writing to you to oppose the passage to amend Subsection 32-5. This proposal does nothing to help the plight of homeless people in our community, and only serves to further demonize and to criminalize their behavior and their struggle. I urge you to vote against it, and to come up with more constructive solutions for our fellow citizens who are suffering with homelessness.

Doug Weidenbach, 3rd district.
