## MEMORANDUM

**To: Board of Public Works**  
**From: Bernard Lenz, Utilities Manager**  
**Date: 04-19-2021**  
**Subject: Wisconsin Emergency Rental Assistance Program adds Water Utilities**

---

The Utility would like to inform the Board that the State of Wisconsin DOA program "Wisconsin Emergency Rental Assistance Program" (flyer attached) has added Water Utilities to their list of eligible entities to receive payments from the State as part of this program and requests Board approval of the attached Water Utility Vender Agreement.

To be clear, this is a State program and anyone wanting to participate must meet the minimal qualifications and go thru the State program to participate. The Utility will simply refer any caller to the state contacts. For the Utility, it is simply a different way to get paid.
