Subject: RE: For Review: CSM Town of Medary (9-1041-1 and 17-10491-10)

Sondra,

This seems fishy to me. How can the City let a property owner combine property that is located in the Town of Shelby with property located in the City of La Crosse?? What would the zoning of the new parcel be?? How would the taxes be assessed?? If a building is built, could it cross Township lines??

I recommend denial until everything is sorted out. In my opinion, parcels should be made in the Town of Shelby, annexed into the City and then be combined with existing City parcels.

If you have any questions feel free to contact me.

Thanks.
