MEMORANDUM

To: Board of Public Works
From: Bernard Lenz, Utilities Manager
Date: 04-19-2021
Subject: Lift Station Design Contract Award CIP #19-206 and #20-168

The Sanitary Sewer Utility requests approval to award the design work for 2019 CIP project #206 Hagar Lift Station Pump Replacement/Structural Changes and for the 2020 CIP project 168 for Pammel Creek Sanitary Lift Station Electrical Upgrade. Both projects require engineering input to move forward and can no longer wait. Lift station are critical components of our system with serious implications when they fail.

We recommend S E H be awarded the design services contract and that engineering be directed to expedite the bidding of this work as soon as the PS&E is complete.
