

Truck Quote Summary

Working with Darin Streeck at the La Crosse City Garage, bid requests were sent out for a 2018 Chevrolet Silverado 2500 Single Cab vehicle with a snow plow.

Sleepy Hollow Chevrolet Buick GMC, Inc has submitted the low bid for the package at #37,176.00.

The Ewald Automotive Group submitted a bid of \$38,233.00

Brenengen Chevrolet submitted a bid on a 3500. We specifically asked for a bid on a 2500. We asked a second time if they could bid on a 2500. Their answer was "I do not, the gross vehicle weight on a $\frac{3}{4}$ is 9500 and the 1 ton is 10700. It would make a great plow truck". Base price is \$33,770 plus a plow estimated at \$5,000 = \$38,770.00

Dahl Chevrolet was asked if they could bid a Chevy 2500 single cab truck. Their reply was "Sorry, but no".

See attached file from Sleepy Hollow. I checked and it would be about \$5500 for a new plow.

A light bar which won't be on any quotes/emails for this is roughly \$2000.

Darin,

Here is one we have with a plow on it. Let me know if this one would work. It does have a Boss 8' Steel Straight Blade plow with downforce installed on it. This is included in my quoted price.

Here is the link to look at it online:
