To whom it may concern:

Reference Legislative file #23-0826, the homeless outreach team workers employed by Independent Life Resources are a very important component in the City of La Crosse's efforts to reduce homelessness within the city. Although the La Crosse Police Department Neighborhood Resource Officers have a unique opportunity to utilize their knowledge to connect those experiencing homelessness with resources, the homeless outreach team workers have the ability to bring a more comprehensive and specific approach to working with the homeless population.

Respectfully submitted,

Shawn P. Kudron
Chief of Police
