Dear Mr Reinhardt,

I'd like to appeal my bill for shoveling. I was really sick for 2 weeks in January, I asked my boys to make sure they shovel because I knew that had to be done and obviously they didn't do a perfect job and I apologize for that, I'm a single mom and this is an enormous financial burden on me for which I can't afford. I've lived in this house for about 20 years and I've never had this happen to me before. Thank you for taking the time to read my email.
