From: Jason Gilman, Planning and Development Director  
C: Scott Neumeister, Andrea Richmond  
RE: Logan Northside Neighborhood Association CIP Requests

Dear Randy:

Per my discussions and correspondence with the Logan Northside Neighborhood Association, the following are items they'd like considered in their \$375,000 appropriation:

1. Improved lighting on George Street from the McDonalds to the bridge.
2. Improved lighting at Logan Middle School on some of the dark streets.
3. Replacement and/or removal of the trees on Rose Street, especially those along Central States Warehouse with the tree guards.
4. Coordination with and/or continuation of projects going on in the Lower Northside Depot Neighborhood
5. A New Neighborhood Welcome Sign near George and Clinton Streets

We also are putting in requests from the Planning Department outside the \$375K items for a continuous trail linkage behind the Black River Beach House as part of the system to connect Rose Street with Riverside Park and additional funding for the US 53/Exit 3 improvements to assure streetscaping is complete.
