RE: Official Order To Discontinue Using Property As A Rental
717 South 16th Street -
Hardship Plea

Dear Teri Lehrke:

My property referred to above, has been a rental property since my purchase in the 80's. Additionally, I have undergone several different City required inspections and registrations for the same property. According to the City Inspection Department, for reasons that he cannot explain, I was not notified of the new registration requirement back in the fall of 2012.

I live on a fixed income and loss of the 16th Street income would be a major financial hardship on me.

Please consider my plea for relief from the Official Order on this peoperty.

Thank you,

Kay M. Robinson
