

Resolution appropriating additional unused funds for directional bore project to install City of La Crosse fiber optic to La Crosse Regional Airport under the Black River.

RESOLUTION

WHEREAS, the City of La Crosse previously awarded and has partially completed the Airport & Well Fiber Interconnection project via Resolutions 22-0050 and 21-1729, and

WHEREAS, additional funds are needed for more substantial directional boring, due to extenuating circumstances with unexpected sub-river soils, requiring increased bore depths through unstable soils not previously identified with geotechnical study, and

WHEREAS, various airport funds are available from used project funding and operating account sources.

NOW, THEREFORE, BE IT RESOLVED by the Common Council of the City of La Crosse that it hereby authorizes use of available funding *from* items:

6056010 580105 20076 ELECTRIC VEHICLE CHARGE STATION - \$10,000  
6056010 580204 20078 Rehabilitate Terminal Loop Road - \$35,000  
Fund 600 Airport Operating Balance - \$95,000

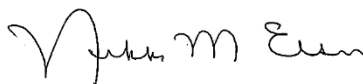

And allocating those funds *to* item:

CIP 20-414, LITG-2022-001: Airport & Well Fiber Interconnection

BE IT FURTHER RESOLVED that City departments and staff are hereby authorized to take required steps to effectuate and implement this resolution.
