Hello,

Please see the attached image of the proposed alley way to be paved for the block between Harvey St and Powell St.

I am submitting a request to be allowed to hire a contractor to pave the alley from St. Andrew St through the end of my driveway. I am willing to fully pay for the paving, but I would appreciate it if La Crosse would consider assisting in the funding of this project as it will enhance the beauty of our neighborhood.

An unpaved alley has caused multiple safety issues for us.

1. The snow is never plowed so getting in and out of our driveway can be very difficult and time consuming some days.
2. The gravel erodes frequently which creates a large drop off between our driveway and the alley.
3. Dirt and gravel is frequently tracked into our garage and house which requires us to clean frequently so that our children and dog don't incidentally ingest something harmful.

Thank you for your time!

-Christopher Flach
