RE: Council meeting tonight and Ordinance # Sec. 32-191

We are completely opposed to this ordinance because all Americans have freedom of speech, religion, and parental rights. We personally have many relationships in the city of LaCrosse even though our business is in Onalaska, and we would be hindered from helping many people with their personal needs. This ban is biased and a sad "thank you" to those who have dedicated their lives to help people of all ages and concerns.

Please do not pass this ordinance.

Thank you.
