Dear Mr. Reinhart,

My name is Cullen Teska and I live at 2005 King St, La Crosse, WI 54601 - I received an invoice for snow removal (invoice 00025468). In the letter it states that the snow fell on 1/24 and was removed 1/25. I am currently not living at the home as we are building an addition and remodeling; however, I have been diligent to remove snow within the 24 hour window. I stopped by after work on 1/25 (the day after the snow had stopped) to find it clear.

I would like to appeal the charges on the grounds that I have kept the sidewalks clear this winter despite not living there and attempted to remove snow within 24 hours of the previous snowfall.

Thank you for your consideration,
Richard Cullen Teska
