

Resolution authorizing the appropriation of additional unused utility funds to the Brickyard & Millatti Ln Stormwater Drainageway Repairs project.

RESOLUTION

WHEREAS, Resolution 22-1115 authorized the use of Utility unbudgeted funds to repair the drainageway south of the intersection of Brickyard Ln. and Millatti Ln. as a result of storm damage in august of 2021, with an amount appropriated of \$225,000; and

WHEREAS, Resolution 22-1011 approved the award of the bid to Winona Mechanical, Inc. in the amount of \$84,926.00 (Fund 650) in addition to \$8,492.60 (Fund 650); and

WHEREAS, based upon field conditions encountered, additional quantities of earthwork and riprap, as existing bid items, are required to adequately rebuild and stabilize the drainageway slopes to prevent future erosion, above and beyond the original bid, and

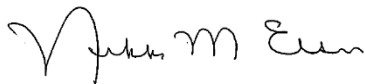

WHEREAS, with the inclusion of said additional quantities, the project cost will still be within the original appropriation in Resolution 22-1115, with designated sources still having sufficient funds to cover the additional quantities; and

WHEREAS, with the inclusion of said additional quantities, the current Contractor would still have been the lowest responsible bidder overall.

BE IT RESOLVED BY THE Common Council of the City of La Crosse, that it hereby appropriates additional funds, up to the original amount of \$225,000, from Utility unbudgeted funds (fund 650) to complete necessary work on the Brickyard & Millatti Ln project.

BE IT FURTHER RESOLVED that City staff are hereby authorized to effectuate this Resolution.

I, Nikki M. Elsen, certify that this resolution was duly and officially adopted by the Common Council of the City of La Crosse on August 10, 2023.
