Mr. Dunnum,
Chris Fechner submitted preliminary and final plat documents last Friday, February 2, 2018. In support of those documents, I am hereby submitting the following, for my client's proposed Waterview Subdivision in the south end of La Crosse.

Enclosed, for your convenience are:

1. Seven 11x17 sets of paper plans
2. Five Full size sets of paper plans
3. Two paper copies of the Storm Water Management and Erosion Control Plan Narrative
4. Two copies of storm water calculations
5. One cd with electronic copies of all documents

Should you have any questions while reviewing the documents, please don't hesitate to contact me directly.

Sincerely,
James Makepeace, P.E.

Mr. Dunnum,
Attached, Chris Fechner submitted preliminary and final plat documents earlier today. In support of those documents, I am hereby submitting the following, for my client's proposed Waterview Subdivision in the south end of La Crosse.

Enclosed, for your convenience are:

1. Seven 11x17 sets of paper plans
2. Seven sets of paper specifications
3. Two paper copies of the Storm Water Operation & Maintenance Agreement
4. Two paper copies of subdivision covenants

Monday morning I will follow up with:

1. Five full size sets of paper plans
2. Two copies of the Storm Water Management and Erosion Control Plan Narrative
3. Two copies of storm water calculations
4. One thumb drive with electronic copies of all documents

Should you have any questions while reviewing the documents, please don't hesitate to contact me directly.

Sincerely,
James Makepeace, P.E.
