Attn: Mr. Tim Welke

Re: Transfer Switch-Generator

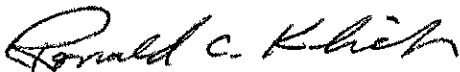

We propose to furnish and install the following:

1-400AMP Single Phase Transfer Switch,
Connect (2) 3" EMT from Switchboard to new Transfer Switch,
Re-Use the existing wire,
Connect the existing generator to the new transfer switch,
Reconnect existing battery charger.

TOTAL COST: \$6,298.00

Respectfully submitted,

KLICH ELECTRIC INC.
