Hello,

I was told to send an email to this email address before Thursday to dispute a charge we were given.

The property is 306 Caledonia Street La Crosse Wisconsin, 54603.

Points I'll make during dispute.

1. First time/year owning a property and living in La Crosse area (Don't exactly get a brochure covering information like this)
2. Lack of substance to remove i.e snow/ice
3. No written Warning or Notice.
4. Lack of updated information transmission from what I was told (caters to old version of information transmission i.e radio, TV, and newspaper)
5. Unreasonable "fee" for something that takes 3 minutes to do.

I have others as well but these are the main points.

Thank you and have a great day!
