City Planning Commission,

On the condition of our conditional use permit we were granted the ability to request hours of operation changes through the city planning commission without needing to go through the city council. We would like to request the following times be adjusted:

- September 28th our normal hours of operations are 11 am to 11 pm. We would like to open at 7 am that day instead of 11 am.
- September 29th our normal hours of operation are 11 am to 11 pm. We would like to open at 7 am that day instead of 11 am.

Thanks for your time,
