To Whom It May Concern;

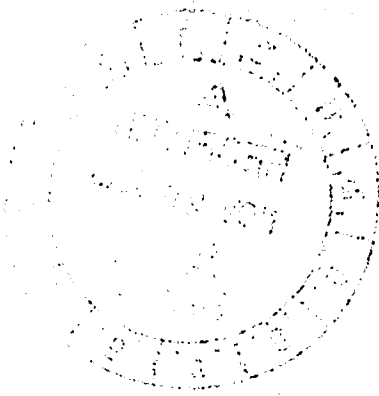

I received a letter from the Building and Inspection Department regarding my property at 905 5th Avenue So. (Parcel 017030120050). This property has been a rental unit since I purchased it in 1997. I have always been current with my taxes and the property is well kept. It has new siding and last year I put a new roof on the house. Inspections of this property are current.

I would like to request a waiver to the City of La Crosse Municipal Code Subparagraphs 8.07 (B) and 8.07 (I).

Not to be granted this waiver would cause significant hardship to me as a taxpaying landlord. This was purchased to act as a supplement to Social Security and, without this rental income, I would have a very difficult time financially.

Sincerely,

Karen Gillmeister

I would like to request a waiver to the City of Los Angeles Municipal Code Subpart 8.17 (b)...

...to be granted this waiver would cause a significant hardship to me as a taxpayer. This is because I would have to purchase an additional security and, without the rental income, I would have a very difficult time financially.
