

Ordinance Waivers

Waiver from Chapter 40-2 (d) to allow the inner line of the sidewalk to violate the established grades of $\frac{1}{4}$ to 1 inch above the grade of the adjoining street. In this case the sidewalk will be below the grade of Island Street and will be installed flat or pitched toward private property.

Waiver from Chapter 40-3 (b) to allow the sidewalk to violate the established width of 6 feet. The sidewalk will be constructed of precast sections 5 feet wide.

Waiver from Chapter 40-3 (c) (1) e Priority No. 5 to violate the requirement that 50% of the property owners request the sidewalk. Zero percent (0%) of the property owners are requesting the sidewalk.

Waiver from Chapter 40-4 (a) (1) Driveway Widths and Permit Fees, maximum width at sidewalk.
