Hello Ms. Trost,

I am contacting you today to express my **great support** for rezoning the property at 2575 7th St in regard to agenda items 21-1190 and 21-1192. This project is in the best interest of the aging population of this community and will provide a safe, beautiful, and private place for our residents to reside. As an employee of Riverside Transitional Care, I see the excitement that all of the residents have for this project and that in itself should be enough for approval.

I greatly appreciate your time. I hope you have a wonderful day.
