La Crosse has spent a huge amount of 💰 ney on homeless. We never hear about requiring homeless to work . There are available jobs all over. Get a job or get no services. They for sure should be responsible to not litter, no public toileting, any public destruction or inappropriate behavior towards others should be criminalized.

I cannot litter or intimidate others or camp in parks.

It is well known handouts not earned do not work. Looking at the horrible mess while they were at Houska is a disgrace. It is also a testament to the fact that resources have not reaped bettering the community, tax payer money and even the homeless.

Right now homeless get a pass on being responsible and improving the community.

I hear countless stories of negative effects of the homeless in La Crosse

Along with the horrible roads in La Crosse I avoid La Crosse as much as possible. I used to love La Crosse
