David,

The reason for dispute is due to the significant price for removal as well as that we felt the snow was too packed down so ice/snow melt was applied.

Thanks,

Jeremy Olson

Jeremy,

Please supply the reason for the disputes.

Thanks.

Mr. Reinhardt,

Good morning.

I would like to appeal the following invoices received for violation of the City's Snow and Ice Removal Ordinance 40-8.

The invoice details are as follows:

- Invoice# 00025507
 - Address: 2514 State St. La Crosse, WI 54601
 - Amount: \$195.00
- Invoice# 00025506
 - Address: 2518 State St. La Crosse, WI 54601
 - Amount: \$210.00

If there is any additional details needed to solidify this appeal, please let me know.

Thanks,

Jeremy Olson

All services rendered by Dynamic Lifecycle Innovations in the processing of material, are to be considered "Non-NAID Certified" unless specifically agreed upon. If you would like to discuss our capabilities in performing "NAID Certified" services in conjunction with the proper recycling/re-marketing of your electronic devices, please feel free to contact the Dynamic Lifecycle Innovations sales staff. One of the main benefits of requesting NAID Certified services, is the guarantee that all data bearing devices are to be recorded by date and serial number, as well as the provision of documentation representing this information, which is to be provided within 30 days of the material's receipt. Our standard "Non-NAID Certified" services still maintain industry leading data security standards (Dept. of Defense & NIST).
