SUBJECT:

Revocable Occupancy/Street Privilege Permit Application

Dairyland Power Cooperative (DPC) is planning to install a 96 strand SM fiber optic cable within the City of La Crosse right of way limits. Included with this permit application are Google Earth images showing the route described below.

Route 1 (red):

Begins at the

- DPC Administration Building (3200 East Avenue South), crossing the street northeasterly and continuing along East Avenue South on the eastern side of the road 0.86 miles to the intersection of Cave Court (aka East Avenue South) and Shelby Road;
- crossing through the intersection to the southern side of Shelby road and continuing approximately 0.17 miles to the intersection of Shelby Road and Mormon Coulee Road (Hwy 14/61/35);
- crossing through the intersection and continuing on the east side of Mormon Coulee Road (Hwy 14/61/35) approximately 0.60 miles to the BNSF railroad and Pammel Creek crossing;
- then boring under the BNSF railroad and Pammel Creek and continuing on the east side of Mormon Coulee Road (Hwy 14/61/35) approximately 0.72 miles to the intersection of Hwy 14/61/35;
- boring under the intersection of Hwy 14/61 and heading east along Hwy 14/61 on the south side of the road approximately 0.65 miles to the DPC transmission line located on the south side of Hwy 14/61.

We understand portions of our route is located within the Wisconsin Department of Transportation Right of Way limits and Connecting Limits with the City of La Crosse. We are working with WisDOT to obtain the necessary permit.

We understand a portion of our route will intersect with BNSF and Pammel Creek and have applied for the necessary permit.

Upon acceptance of our Street Application permit we will apply for the necessary Excavation within Right-of-Way permits for excavating of the route within the City of La Crosse limits, and if deemed necessary, a second Excavation within Right-of-Way for the BNSF railroad and Pammel Creek crossing.
