Greetings,

I would like to express my support for any ARPA funding we'd receive to go towards the City of La Crosse Arts Board for their new grant fund program. This would truly benefit the city and empower local artists to have a lasting impact on how we shape the culture of La Crosse. Giving funding to benefit the appearance of our parks and buildings inspired the idea of community and contributes towards the overall ambition of the community. We can make great things happen in this city if we allocate and empower those living here to make meaningful and lasting change.

Thanks,
Paige Manges
