

Resolution approving Agreement for design services for rehabilitation of Digester #1 cover at Isle La Plume wastewater treatment plant.

RESOLUTION

WHEREAS the Sanitary Sewer Utility completed project to rehabilitate of three of the four anaerobic digesters at the Isle La Plume wastewater facility, and

WHEREAS the Sanitary Sewer Utility is currently planning the project to rehabilitate the final anaerobic digesters at the wastewater facility, and

WHEREAS Process Equipment Repair Services, Inc. has engineering and design expertise for this type of rehabilitation project,

NOW, THEREFORE, BE IT RESOLVED by the Common Council of the City of La Crosse that the Sanitary Sewer Utility is authorized to contract with Process Equipment Repair Services, Inc., in the amount of \$ 10,000.00, for design services for the rehabilitation of the Digester #1 cover at the Isle La Plume wastewater treatment plant, with budgeted funds coming from the Sanitary Sewer Utility Contingency Reserve Account.

BE IT FURTHER RESOLVED that a contract contingency amount of \$1,500 is also approved, with funds coming from the Sanitary Sewer Utility Contingency Reserve Account.

BE IT FURTHER RESOLVED that the Board of Public Works, Director of Finance and Utilities Manager are authorized to take any and all steps necessary to effectuate this resolution.

---

*I, Teri Lehrke, certify that this resolution was duly and officially adopted by the Common Council of the City of La Crosse on March 8, 2018.*
