Sent from my iPhone. The homeless should NOT be allowed to use city or county or any other parks. They don't pay taxes and are nothing but free loaders or squatters or whatever else you want to call them. They all seem to have money for cigarettes drugs and alcohol. Put that towards housing and if they had a job maybe they could rent. If one job isn't enough get 2. They totally ruined the hotel on the north side. They would do the same at UWL and any other places - churches hill view and any other places the city would find for them. Mr mayor why don't you let them camp on your lawn or your basement. I haven't heard that you have offered.
