Gentlemen,

Due to the storm, I will not be at the Public Works meeting this AM. However I am asking for the three Permits that Charter has submitted to be tabled. After a conversation with Bernie last week, I have reached out to have a firm called MI-Tech to handle the Permit forms with drawings going forward. They currently handle all of the Permits on the East side of the State as well as Minnesota. As soon as they make contact with myself, I will have them stop at City Hall and go over what they do as well as anything the City requires.

Thanks,

Perry McClellan
