## Parking Enterprise

### Description/Services:

The Parking Utility is managed by a Parking Coordinator who works directly with the Assistant Police Chief. The Parking Utility has two responsibilities, the enforcement of all parking regulations within the City and the operation of all City-owned parking facilities. The enforcement division is responsible for the enforcement of all parking rules and regulations on approximately 225 miles of city streets. This work is done through a staff of Civil Service Employees (CSE's) who are tasked with the enforcement of parking violations. Office support staff process data entry and revenue collections. The grounds division of the Parking Utility is responsible for the operation of all the municipally-owned ramps and surface lots. These include the Market Square Ramp with a total of 632 spaces, the La Crosse Center Ramp with a total of 893 spaces, the Main Street ramp with a total of 395 spaces, the Riverside Ramp with a total of 903 spaces, and the Pine Street ramp with a total of 606 spaces. When you add in the surface lots, the Parking Utility manages almost 4,000 parking spaces. In addition, the Parking Utility manages downtown on-street hourly parking to ensure customer turnover for downtown businesses.
