

GUNDERSEN HEALTH SYSTEM®

November 3, 2014

Mr. Randy Turtenwald
Director – Engineering Department
City of La Crosse
400 La Crosse Street
La Crosse, WI 54601

Dear Mr. Turtenwald,

On behalf of Gundersen Health System I respectfully request consideration of an alley vacation to facilitate future revitalization of the Gundersen La Crosse Campus and Powell-Poage-Hamilton Neighborhood.

The alley for consideration runs north-south in the block bounded by Farnam Street to the north, Tyler Street to the south, South 7th Street to the west and South 8th Street to the east. Transferring the alley in question to Gundersen Health System would not impact vehicle traffic, as the alley ends adjacent to Gundersen property.

Please see the second next page of this letter for specific block identification. For your reference, Gundersen is in the process of requesting a Conditional Use Permit to demolish structures on the properties on the east side of this block. The properties include: 718 Farnam Street, 1410 South 8th Street and 1404/1406/1408 South 8th Street.

Gundersen is committed to partnering with the City of La Crosse to improve the quality of life in the neighborhood surrounding our La Crosse Campus. We thank you for considering this request, and welcome any questions you may have.

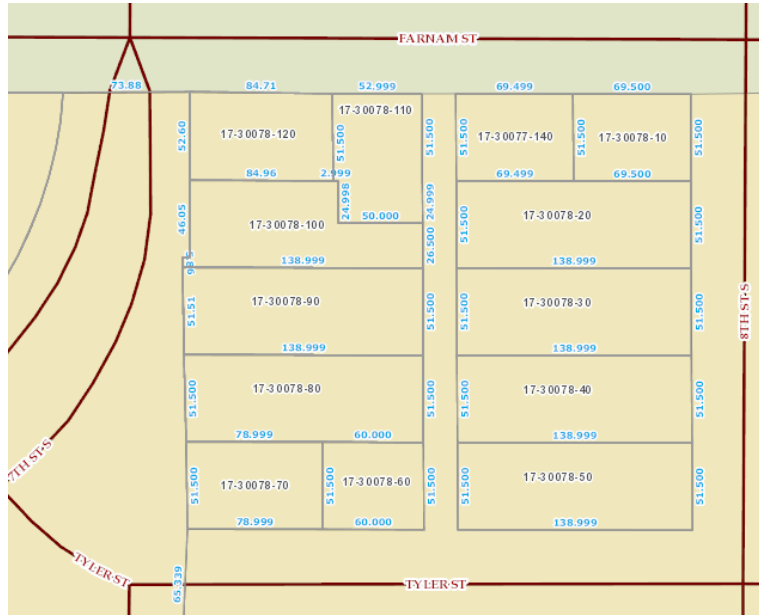

Sincerely,

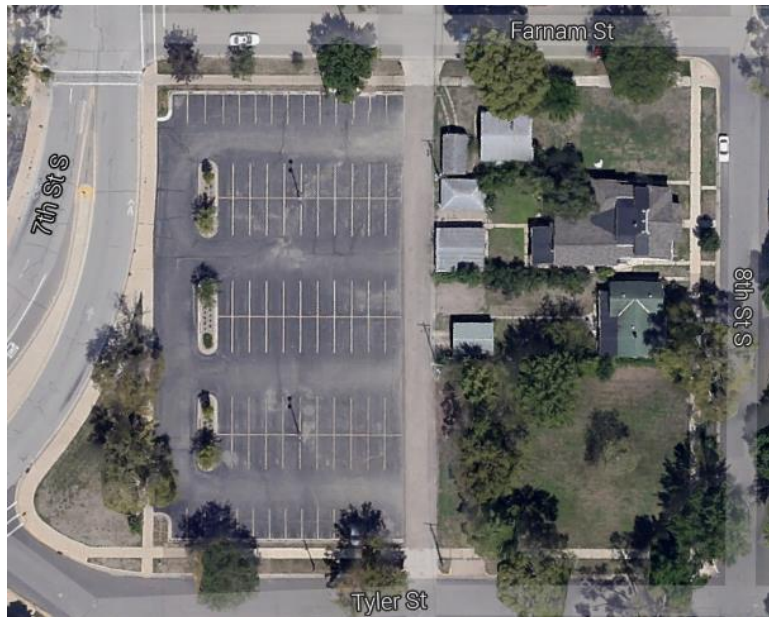

Michael Richards
Executive Director of External Affairs
Gundersen Health System
