The proposed services to be provided by Catholic Charities from their recently acquired building at 508 5th Av. S. are needed and critical for people of La Crosse whom experience hardships which cause them to be employment and/or housing challenged.

Ironically, this is the identical building which housed the Wisconsin Employment Service in March, 1959 from which I secured a "referral card" to obtain a job (in Racine) which led to my self-improvement, culminating in a bachelor degree in 1969.

I was absent from "God's Country" for 50 years before returning, upon retirement in 2009.

Hopefully this same location will provide a springboard for people currently striving to improve their lot in life, locally.
Sincerely,

David W Burbach
