

Resolution authorizing implementation of an airport management information system and appropriation of funds.

RESOLUTION

WHEREAS the airport management currently utilizes several databases, paper forms, and Excel documents for various forms of record keeping and operational data functions, and

WHEREAS Netkinetix, Inc. of La Crosse has provided an estimate for consolidating these systems into a web based airport management information system, and

WHEREAS said custom design work is less costly than off-the-shelf systems currently available, and

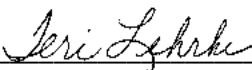

WHEREAS airport data needs are different than other City departments which necessitates custom information systems.

NOW, THEREFORE, BE IT RESOLVED by the Common Council of the City of La Crosse that it hereby appropriates and approves for expenditure up to \$25,000 from Airport funds for project "MIS Program" (Project #15006).

BE IT FURTHER RESOLVED that Netconnetix Inc, is authorized to perform said work.

BE IT FURTHER RESOLVED that the Airport Manager, Director of Information Technology and Director of Finance are hereby authorized to take all necessary steps to effectuate said resolution.

I, Teri Lehrke, certify that this resolution was duly and officially adopted by the Common Council of the City of La Crosse on March 12, 2015.

Teri Lehrke, City Clerk
City of La Crosse, Wisconsin
