Re: Department of Solid Waste,
County of La Crosse, Wisconsin
WFSB # 232

Dear Clerks:

On November 1, 2019 the Waste Facility Siting Board received a copy of a written request for local approval, along with a copy of the certified return receipts, sent by Department of Solid Waste, to the County of La Crosse, City of La Crosse, City of Onalaska, and Town of Hamilton, regarding the expansion of its current solid waste landfill facility located in La Crosse County. The requests were received by the City of La Crosse, City of Onalaska, La Crosse County, and Town of Hamilton on October 1, 2019.

The law allows an affected municipality to participate in the negotiation process if the governing body adopts a siting resolution and appoints members to the local committee within 60 days after the municipality receives written requests by the applicant. Wis. Stat. § 289.33(6)(a)

In this case, a negotiated agreement between the municipalities has been reached on May 1st, 2021

As a result, pursuant to law, the Waste Facility Siting Board considers this case closed.
