# Call for Submissions

## “Beyond the Moment”

---

The La Crosse Arts Board announces a new call for submissions - “Beyond the Moment”, a reflection of 2021 and the lingering impacts of COVID-19 on the Coulee Region and La Crosse. The initial budget for new acquisitions is \$12,000. To serve as many artists as possible individual pieces must be priced no more than \$1,000.

We know that artists continue to be impacted by the limits on public gatherings, group size, and physical distancing requirements. The resulting loss of income for artists and galleries in La Crosse has been staggering.

The review process will take place completely online. Purchases are restricted to works on paper, canvas, or panel (prints, drawings, paintings on paper, photographs, canvas board, MDF board, plywood, etc.) relief sculpture, no larger than approximately 24” x 30” and weighing 25 lbs or less. Original works produced since March of 2021 are eligible.

\*Works collected for the City of La Crosse are exhibited on a rotating basis in city and county buildings.

**Deadline for submissions is Friday, January 14<sup>th</sup>, 2022 at 5 p.m. CST.**  
**No late entries will be reviewed.**

## ABOUT THE LA CROSSE ARTS BOARD

The purpose of the City of La Crosse Arts Board is to focus on four principal areas:

- To advocate for the arts on behalf of the city in its City Vision 2040 Downtown Master Plan
- To serve as a forum to receive proposals and forward them to the appropriate council committee.
- To work as advocate for the arts by commenting on policies and plans of the City and by seeking non-City funding for its advancement; and
- To analyze gaps and opportunities in programming, support, funding, and promotion for the arts, cultural activity and economic development.

## SELECTION PROCESS

The La Crosse Arts Board (or comparable committee) will select artwork for purchase by reviewing images and application materials online.

Once selected, the Arts Board will notify the artists via email or telephone. Artists will receive 100% of the total award up to \$1,000 upon receipt of the artwork.

The panel reserves the right to select an artist who does not directly apply to this call for submission, if appropriate.

### Goals for submissions:

- Capture “Beyond the Moment” of 2021, as La Crosse continues to navigate the COVID-19 pandemic, climate change, racial injustice, and the political atmosphere. Balance what we may want/need to remember from 2020-21 with what you think future curators, City/County staff, and the residents of La Crosse will want to display in future public spaces. The selected works will be used as a historical perspective of “The Moment” we find ourselves currently in. Selected artworks will also be featured in an online “virtual” exhibition as well as being initially displayed in the La Crosse Public Library galleries.
- While we honor artists who wish to submit new or pre-existing work unrelated to “The Moment” of 2021. Priority will be given to submissions that match the purpose of portraying what makes La Crosse unique as we look beyond “The Moment” of 2021.
