Re: File ID 18-0359  
Resolution to explore options for two Senior Center locations in La Crosse - one on the north side and one on the south side.

Ladies and Gentlemen:

The Board of Public Works on April 23, 2018, considered the above matter and recommended it be ADOPTED AS AMENDED to add a \$25,000 appropriation from the Contingency Fund to engage architects, engineers and contractors to design the necessary priority work at the Harry J Olson Senior Citizen Center. Further, that the allocation of \$20,000 currently in the resolution be used to hire an engineer to determine design solutions for the South Community Library.

Sincerely,

Timothy Kabat  
President
