at the interest rates set out above, such interest (computed upon the basis of a 360-day year consisting of twelve 30-day months) being payable on March 1 and September 1 of each year, commencing on March 1, 2024. Interest on each Bond shall be paid by check or draft of the Registrar to the person or entity in whose name such Bond is registered at the close of business on the fifteenth day of the calendar month next preceding the applicable interest payment date or by wire transfer to any securities depository referred to in Section 5 of this Resolution. The principal of each Bond shall be payable in lawful money of the United States of America only upon presentation and surrender of the Bonds at the designated office of the Registrar.

Section 4. Execution; Authentication. The Bonds shall be executed on behalf of the City with the manual or facsimile signature of the Mayor of the City and with the manual or facsimile signature of the City Clerk of the City and sealed with the official seal of the City or a printed facsimile of such seal. In case any officer whose signature shall appear on any Bond shall cease to be such officer before the delivery of such Bond, such signature shall nevertheless be valid and sufficient for all purposes, the same as if such officer had remained in office until delivery. The Bonds may be prepared in printed or typewritten form.

All Bonds shall have thereon a certificate of authentication substantially in the form hereinafter set forth duly executed by the Registrar as authenticating agent of the City and showing the date of authentication of the Bonds. No Bond shall be valid or obligatory for any purpose or be entitled to any security or benefit under this Resolution unless and until such certificate of authentication shall have been duly executed by the Registrar by manual signature, and such certificate of authentication upon any such Bond shall be conclusive evidence that such Bond has been authenticated and delivered under this Resolution. The certificate of authentication on any Bond shall be deemed to have been executed by the Registrar if signed by the Registrar.

Section 5. Registration of Bonds; Persons Treated as Owners. (a) The City shall cause books of the City kept by the Registrar to evidence the registration and transfer of the Bonds (the “*Bond Register*”) to be kept at the designated office of the Registrar, which is hereby constituted and appointed the registrar of the City with respect to the Bonds herein authorized. The City is authorized to prepare, and the Registrar shall keep custody of, multiple Bond blanks executed by the City for use in the transfer and exchange of Bonds.

Upon surrender for transfer of any Bond at the principal corporate trust office of the Registrar, duly endorsed by, or accompanied by a written instrument or instruments of transfer in form satisfactory to the Registrar and duly executed by, the registered owner or his or her attorney duly authorized in writing, the City shall execute and the Registrar shall authenticate, date and deliver in the name of the transferee or transferees a new fully registered Bond or Bonds of the same maturity of authorized denominations, for a like aggregate principal amount. Any fully registered Bond or Bonds may be exchanged at said office of the Registrar for a like aggregate principal amount of Bond or Bonds of the same maturity of other authorized denominations. The execution by the City of any fully registered Bond shall constitute full and due authorization of such Bond and the Registrar shall thereby be authorized to authenticate, date and deliver such Bond, *provided, however,* the principal amount of outstanding Bonds of each maturity authenticated by the Registrar shall not exceed the authorized principal amount of Bonds for such maturity less previous retirements.

The Registrar may, but shall not be required to, transfer or exchange any Bond during the period of fifteen (15) days next preceding any interest payment date on such Bond, nor to transfer or exchange any Bond after notice calling such Bond for redemption prior to maturity has been given nor during the period of fifteen (15) days next preceding giving a notice of redemption of any Bonds.

The person or persons in whose name any Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes, and payment of the principal of, premium (if any) or interest on any Bond shall be made only to or upon the order of the registered owner thereof or his legal representative. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

No service charge shall be made for any transfer or exchange of Bonds, but the City or the Registrar may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Bonds, except in the case of the issuance of a Bond or Bonds for the unredeemed portion of a Bond surrendered for redemption.

(b) *Global Book-Entry System.* The Bonds shall be initially issued in the form of a separate single fully registered Bond for each of the maturities of the Bonds determined as described in Section 2 hereof. Unless otherwise requested by any Purchaser, upon initial issuance, the ownership of each such Bond shall be registered in the Bond Register in the name of Cede & Co., or any successor thereto (“*Cede*”), as nominee of The Depository Trust Company, New York, New York, and its successors and assigns (“*DTC*”). All of the outstanding Bonds shall be registered in the Bond Register in the name of Cede, as nominee of DTC, except as hereinafter provided. The Mayor, the City Clerk, the Treasurer, the Director of Finance and any other business official of the City and the Registrar are each authorized to execute and deliver, on behalf of the City, such letters to or agreements with DTC as shall be necessary to effectuate such book-entry system (any such letter or agreement being referred to herein as the “*Representation Letter*”), which Representation Letter may provide for the payment of principal of or interest on the Bonds by wire transfer.

With respect to Bonds registered in the Bond Register in the name of Cede, as nominee of DTC, the City and the Registrar shall have no responsibility or obligation to any broker-dealer, bank or other financial institution for which DTC holds Bonds from time to time as securities depository (each such broker-dealer, bank or other financial institution being referred to herein as a “*DTC Participant*”) or to any person on behalf of whom such a DTC Participant holds an interest in the Bonds. Without limiting the immediately preceding sentence, the City and the Registrar shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede or any DTC Participant with respect to any ownership interest in the Bonds, (ii) the delivery to any DTC Participant or any other person, other than a registered owner of a Bond as shown in the Bond Register, of any notice with respect to the Bonds, including any notice of redemption, or (iii) the payment to any DTC Participant or any other person, other than a registered owner of a Bond as shown in the Bond Register, of any amount with respect to the principal of or interest on the Bonds. The City and the Registrar may treat and consider the person in whose name each Bond is registered in the Bond Register as the holder and absolute owner of such Bond for the purpose of payment of principal and interest with respect to such Bond, for the purpose of giving

notices of redemption and other matters with respect to such Bond, for the purpose of registering transfers with respect to such Bond, and for all other purposes whatsoever. The Registrar shall pay all principal of and interest on the Bonds only to or upon the order of the respective registered owners of the Bonds, as shown in the Bond Register, or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the City's obligations with respect to payment of the principal of and interest on the Bonds to the extent of the sum or sums so paid. No person other than a registered owner of a Bond as shown in the Bond Register, shall receive a Bond evidencing the obligation of the City to make payments of principal and interest with respect to any Bond. Upon delivery by DTC to the Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede, and subject to the provisions in Section 3 hereof with respect to the payment of interest to the registered owners of Bonds at the close of business on the 15th day of the month next preceding the applicable interest payment date, the name "Cede" in this resolution shall refer to such new nominee of DTC.

In the event that (i) the City determines that DTC is incapable of discharging its responsibilities described herein and in the Representation Letter, (ii) the agreement among the City, the Registrar and DTC evidenced by the Representation Letter shall be terminated for any reason or (iii) the City determines that it is in the best interests of the beneficial owners of the Bonds that they be able to obtain certificated Bonds, the City shall notify DTC and DTC Participants of the availability through DTC of certificated Bonds and the Bonds shall no longer be restricted to being registered in the Bond Register in the name of Cede, as nominee of DTC. At that time, the City may determine that the Bonds shall be registered in the name of and deposited with such other depository operating a universal book-entry system, as may be acceptable to the City, or such depository's agent or designee, and if the City does not select such alternate universal book-entry system, then the Bonds may be registered in whatever name or names registered owners of Bonds transferring or exchanging Bonds shall designate, in accordance with the provisions of Section 5(a) hereof.

Notwithstanding any other provisions of this resolution to the contrary, so long as any Bond is registered in the name of Cede, as nominee of DTC, all payments with respect to principal of and interest on such Bond and all notices with respect to such Bond shall be made and given, respectively, in the name provided in the Representation Letter.

Section 6. Prior Redemption. The Bonds maturing on and after March 1, 2033, shall be subject to redemption prior to maturity at the option of the City, as a whole or in part in such order as the City may determine (less than all of the Bonds of a single maturity to be selected by the Registrar as hereinafter provided), on March 1, 2032, and on any date thereafter, at a redemption price of 100% of the principal amount thereof being redeemed plus accrued interest to the date fixed for redemption.

The Bonds shall be redeemed only in the principal amount of \$5,000 each and integral multiples thereof. The City shall, at least forty-five (45) days prior to the date fixed for redemption (unless a shorter notice shall be satisfactory to the Bond Registrar) notify the Bond Registrar of such date fixed for redemption, of the principal amount of the Bonds to be redeemed prior to maturity and of the order of the Bonds to be redeemed prior to maturity. For purposes of any

redemption of less than all of the outstanding Bonds of a single maturity, the particular Bonds or portions of Bonds to be redeemed prior to maturity shall be selected not more than sixty (60) days prior to the date fixed for redemption by the Bond Registrar from the outstanding Bonds by such method as the Bond Registrar shall deem fair and appropriate, and which may provide for the selection of Bonds or portions of Bonds for redemption in principal amounts of \$5,000 and integral multiples thereof.

The Bond Registrar shall promptly notify the City in writing of the Bonds or portions of Bonds selected for redemption prior to maturity and, in the case of any Bond selected for partial redemption prior to maturity, the principal amount thereof to be redeemed prior to maturity.

Section 7. Redemption Procedure. Unless waived by any registered owner of Bonds (or portions thereof) to be redeemed, notice of the call for any such redemption prior to maturity shall be given by the Registrar on behalf of the City by mailing the redemption notice by first class mail, postage prepaid, not less than thirty (30) days and not more than sixty (60) days prior to the date fixed for redemption to the registered owner of the Bond or Bonds to be so redeemed at the address shown on the Bond Register or at such other address as is furnished in writing by such registered owner to the Registrar. Failure to give such notice by mailing to any owner of any Bond, or any defect therein, shall not affect the validity of any proceedings for the redemption of any other Bonds.

All notices of redemption shall state:

- (1) the date fixed for redemption,
- (2) the redemption price,
- (3) if less than all outstanding Bonds are to be redeemed, the identification, including CUSIP numbers (and, in the case of any partial redemption, the respective principal amounts) of the Bonds to be redeemed,
- (4) that on the date fixed for redemption the redemption price will become due and payable upon each such Bond or portion thereof called for redemption, and that interest thereon shall cease to accrue from and after said date, and
- (5) the place where such Bonds are to be surrendered for payment of the redemption price, which place of payment shall be the designated office of the Registrar.

Unless moneys sufficient to pay the redemption price of the Bonds to be redeemed at the option of the City shall have been received by the Registrar prior to the giving of such notice of redemption, such notice may, at the option of the City, state that said redemption shall be conditional upon the receipt of such moneys by the Registrar on or prior to the date fixed for redemption. If such moneys are not received, such notice shall be of no force and effect, the City shall not redeem such Bonds, and the Registrar shall give notice, in the same manner in which the notice of redemption shall have been given, that such moneys were not so received and that such Bonds will not be redeemed. Otherwise, prior to any redemption date, the City shall deposit with

the Registrar an amount of money sufficient to pay the redemption price of all the Bonds or portions of Bonds which are to be redeemed on that date.

Subject to the provisions for a conditional redemption described above, notice of redemption having been given as aforesaid, the Bonds or portions of Bonds so to be redeemed shall, on the redemption date, become due and payable at the redemption price therein specified, and from and after such date (unless the City shall default in the payment of the redemption price) such Bonds or portions of Bonds shall cease to bear interest. Upon surrender of such Bonds for redemption in accordance with said notice, such Bonds shall be paid by the Registrar at the redemption price. Installments of interest due on or prior to the redemption date shall be payable as herein provided for payment of interest. Upon surrender for any partial redemption of any Bond, there shall be prepared for the registered holder a new Bond or Bonds of the same maturity in the amount of the unpaid principal.

If any Bond or portion of Bond called for redemption shall not be so paid upon surrender thereof for redemption, the principal shall, until paid, bear interest from the redemption date at the rate borne by the Bond or portion of Bond so called for redemption. All Bonds which have been redeemed shall be cancelled and destroyed by the Registrar and shall not be reissued.

Section 8. Form of Bonds. The Bonds, the certificate of authentication to be endorsed thereon and the form of assignment to be endorsed thereon are all to be in substantially the following forms with necessary and appropriate variations, omissions and insertions as permitted or required by this Resolution:

2036	1,019,200.00
2037	1,020,000.00

In each of said years from 2023 to 2037 inclusive, the direct annual tax above levied shall be extended upon the tax rolls of the City in the same manner and time as taxes for general City purposes, and when collected the proceeds of said taxes shall be deposited into the account of the

Debt Service Fund established in favor of the Bonds, to be used solely for paying the principal of and interest on the Bonds as long as any of the Bonds remain outstanding.

The City has funds on hand and available in the amount of \$418,729.65 in the Debt Service Fund in respect of premium, which is sufficient to pay the interest on the Bonds coming due on March 1, 2024 and a portion of the interest on September 1, 2024, which funds are hereby appropriated to the payment of such interest.

Section 11. Sufficiency. Interest or principal maturing at any time during the life of the Bonds when there shall be insufficient funds on hand from the above tax levy to pay the same shall be paid promptly when due from the general fund of the City, and said fund shall be reimbursed in a like amount out of the proceeds of taxes hereby levied when the same shall have been collected.

Section 12. Establishment of Debt Service Fund. There is hereby established in the City Treasury a fund separate and distinct from all other funds of the City to be designated the “General Obligation Corporate Purpose Bonds, Series 2023-A Debt Service Fund” (the “*Debt Service Fund*”), which fund shall be used solely for the purpose of paying the principal of, premium, if any, and interest on the Bonds. There shall be deposited in such fund all premium and accrued interest, if any, paid on the Bonds at the time the Bonds are delivered to the purchaser thereof; all money raised by taxation pursuant to Section 10 hereof; and such other sums as may be necessary to pay the interest on the Bonds when the same shall become due and to retire the Bonds at their respective maturity dates.

Section 13. Use of Proceeds; No Arbitrage; Bonds to Remain in Fully Registered Form. Proceeds of the Bonds in the amount of \$418,729.65 will be deposited into the Debt Service Fund and be used to pay the first interest coming due on the Bonds. The balance of the principal proceeds of the Bonds shall be deposited in a special fund (the “*Construction Fund*”), and used solely for the purpose for which the Bonds are hereby authorized. The principal proceeds from the sale of the Bonds shall be used only to pay the costs aforesaid and the Council hereby covenants and agrees that said principal proceeds shall be devoted to and used with due diligence for such purposes.

Section 14. List of Bondholders. The Registrar shall maintain a list of the names and addresses of the holders of all Bonds and upon any transfer shall add the name and address of the new Bondholder and eliminate the name and address of the transferor Bondholder.

Section 15. Non-Arbitrage and Tax-Exemption. The City hereby covenants that it will not take any action, omit to take any action or permit the taking or omission of any action within its control (including, without limitation, making or permitting any use of the proceeds of the Bonds) if taking, permitting or omitting to take such action would cause any of the Bonds to be an arbitrage bond or a private activity bond within the meaning of the Internal Revenue Code of 1986, as amended (the “*Code*”), or would otherwise cause the interest on the Bonds to be included in the gross income of the recipients thereof for federal income tax purposes. The City acknowledges that, in the event of an examination by the Internal Revenue Service (the “*IRS*”) of the exemption from federal income taxation for interest paid on the Bonds, under present rules, the City may be

treated as a “taxpayer” in such examination and agrees that it will respond in a commercially reasonable manner to any inquiries from the IRS in connection with such an examination.

The City also agrees and covenants with the purchasers and holders of the Bonds from time to time Outstanding that, to the extent possible under Illinois law, it will comply with whatever federal tax law is adopted in the future which applies to the Bonds and affects the tax-exempt status of the Bonds.

The City Council hereby authorizes the officials of the City responsible for issuing the Bonds, the same being the Mayor, City Clerk and Treasurer, to make such further covenants and certifications regarding the specific use of the proceeds of the Bonds as approved by the City Council and as may be necessary to assure that the use thereof will not cause the Bonds to be arbitrage bonds and to assure that the interest on the Bonds will be exempt from federal income taxation. In connection therewith, the City and the City Council further agree: (a) through their officers, to make such further specific covenants, representations as shall be truthful, and assurances as may be necessary or advisable; (b) to consult with counsel approving the Bonds and to comply with such advice as may be given; (c) to pay to the United States, as necessary, such sums of money representing required rebates of excess arbitrage profits relating to the Bonds; (d) to file such forms, statements, and supporting documents as may be required and in a timely manner; and (e) if deemed necessary or advisable by their officers, to employ and pay fiscal agents, financial advisors, attorneys, and other persons to assist the City in such compliance.

Section 16. Duties of Registrar. If requested by the Registrar, the Mayor and City Clerk are authorized to execute the Registrar’s standard form of agreement between the City and the Registrar with respect to the obligations and duties of the Bond Registrar hereunder which may include the following.

- (a) to act as bond registrar, authenticating agent, paying agent and transfer agent as provided herein;
- (b) to maintain a list of Bondholders as set forth herein and to furnish such list to the City upon request, but otherwise to keep such list confidential;
- (c) to give notice of redemption of the Bonds as provided herein;
- (d) to cancel and/or destroy Bonds which have been paid at maturity or submitted for exchange or transfer;
- (e) to furnish the City at least annually a certificate with respect to Bonds cancelled and/or destroyed; and
- (f) to furnish the City at least annually an audit confirmation of Bonds paid, Bonds Outstanding and payments made with respect to interest on the Bonds.

Section 17. Continuing Disclosure Undertaking. The Mayor, the City Clerk and the City Treasurer/Director of Finance of the City, or any of them, are hereby authorized to execute and

deliver on behalf of the City a continuing disclosure undertaking with respect to the Bonds (the “*Continuing Disclosure Undertaking*”). When the Continuing Disclosure Undertaking shall be executed and delivered on behalf of the City as contemplated herein, it shall be binding on the City, and all officers, employees and agents of the City are hereby authorized, empowered and directed to do all such acts and things and to execute all such documents as may be necessary to carry out and comply with the terms and provisions of the Continuing Disclosure Undertaking. Notwithstanding any other provision of this Resolution to the contrary, the sole remedy for the failure to comply with the Continuing Disclosure Undertaking shall be the ability of the beneficial owners of the Bonds to seek mandamus or specific performance.

Section 18. Record-Keeping Policy and Post-Issuance Compliance Matters. On October 14, 2021, the Council adopted a record-keeping policy (the “*Policy*”) in order to maintain sufficient records to demonstrate compliance with its covenants and expectations to ensure the appropriate federal tax status for the debt obligations of the City, the interest on which is excludable from “gross income” for federal income tax purposes or which enable the City or the holder to receive federal tax benefits, including, but not limited to, qualified tax credit bonds and other specified tax credit bonds. The Council and the City hereby reaffirm the Policy.

Section 19. Municipal Bond Insurance. In the event the payment of principal and interest on the Bonds is insured pursuant to a municipal bond insurance policy (the “*Municipal Bond Insurance Policy*”) issued by a bond insurer (the “*Bond Insurer*”), and as long as such Municipal Bond Insurance Policy shall be in full force and effect, the City and the Bond Registrar agree to comply with such usual and reasonable provisions regarding presentment and payment of the Bonds, subrogation of the rights of the Bondholders to the Bond Insurer upon payment of the Bonds by the Bond Insurer, amendment hereof, or other terms, as approved by the Mayor on advice of counsel, his or her approval to constitute full and complete acceptance by the City of such terms and provisions under authority of this Section.

Section 20. Other Documents. The Mayor, the City Clerk and the City Treasurer of the City and all other officers of the City are hereby authorized to execute all documents and certificates (including without limitation any certificate or agreement executed to comply with Rule 15c2-12 of the Securities and Exchange Commission) and to take all actions as may be necessary in connection with the authorization, issuance, sale and delivery of the Bonds and the performance of the obligations of the City hereunder and to carry out and comply with the terms of this Resolution, including without limitation, the Official Statement. This Resolution and all such documents shall be in substantially the same form contemplated by this Resolution, with such changes as shall be approved by the officers executing this Resolution and said documents, the execution thereof to constitute conclusive proof of such approval.

Section 21. Severability. If any section, paragraph or provision of this Resolution shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such section, paragraph or provision shall not affect any of the remaining sections, paragraphs and provisions of this Resolution.

Section 22. Conflicting Proceedings Superseded. All ordinances, resolutions or orders, or parts thereof, heretofore enacted, adopted or entered, in conflict with the provisions of this

Resolution, shall be and in the same are hereby superseded to the extent of such conflict, and this Resolution shall be in effect from and after its passage.
